"Junior" Rink Hockey World Championship - Cartagena/Colombia 2013-

Dear friends,

with regret I took notice about some results (40:00) of the games on the first 2 days in Cartagena.

I appeal to the team leaders and coaches of the "big" federations:
Please do not punish and discourage your opponents. Let exercise fair play.
Remember the goal average will only count by 3 teams in a group with the same number of points.

I kindly ask the Organizing Committee "SUB20 Cartagena 2013" to stop any kind of intention to honor the top scorer, best player or best goalkeeper by the closing ceremony.

CIRH has no doubts to honor fair play, the youngest team or others.

CIRH thanks again FCP President Alberto Herrera, the Organizing Committee and the city of Cartagena, without their financial help for the most of the 17 teams, would not been able to take part on this World Championship.

With sportive regards,

Harro Strucksberg
CIRH President
